## Lane width on Dunvegan Bridge reduced for construction

*Grande Prairie...* The lane width at Dunvegan Bridge will be reduced to 3.2 metres starting Aug. 6 to allow construction work at the deck joints of the bridge. The lane width will be restored to 3.4 metres on Aug. 10. Construction on the Dunvegan Bridge involves the replacement of the concrete bridge deck at a cost of \$17.8 million.

Motorists are asked to use caution in the area and obey all signs, traffic signals and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
