Bridge repairs close southbound lanes of QEII and detour traffic south of Leduc

Leduc... Bridge repairs will close the southbound lanes of the QEII south of Leduc Sept. 13 from 6 a.m. to 10 p.m. Traffic will be detoured onto Highway 2A south to Millet and Highway 616 to the QEII.

Bridge repairs and lane reductions began Sept. 4 on the Tower Road overpass located between Leduc and Millet. The project involves the replacement and repair of several bridge girders, at a cost of \$330,000. Traffic on the southbound QEII will again be reduced to a single lane on Sept. 14 with a width of 4 metres from 6 a.m. to 9 p.m. until the work is completed Sept. 30, weather permitting.

Motorists are asked to use caution in the area and obey all signs and flag people.
