## **Expect minor delays on Highway 734 near Nordegg**

*Nordegg...* Motorists can expect minor delays on Highway 734 north of Nordegg for the next three weeks.

Construction starts Sept. 15 on a 26-kilometre section of the gravel highway north of its junction with Highway 11. Construction will be completed by mid-October, weather permitting.

Motorists should use caution in the area and obey all signs and flag people. Motorists are also reminded that fines for speeding are doubled through construction zones when workers are present.
