Construction disrupts traffic on St. Albert Trail in Edmonton

Edmonton... Motorists can expect delays and lane closures Nov. 3-5 on St. Albert Trail between Gervais Road and Campbell Road between 9 a.m. and 4 p.m. to accommodate the construction of detours for the Northwest Anthony Henday Drive.

The six-lane detour is approximately one kilometre in length and is expected to open Nov. 5, weather permitting. No speed limit changes are anticipated after the detour construction is completed and the detour is open to traffic.

Motorists should use caution in the area and obey all signs, message boards, pilot vehicles, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.

Visit www.northwestconnect.ca for more information about the Northwest Anthony Henday Drive ring road project.
