Peigan Trail SE in Calgary experiences partial closures

Calgary... Motorists are advised that portions of Peigan Trail will be closed in the vicinity of Deerfoot Trail and Barlow Trail SE.

On Nov. 22 from 6 a.m. to 11 a.m., the southbound exit from Peigan Trail SE to Barlow Trail SE will be closed. Also on Nov. 22, westbound Peigan Trail SE to southbound Deerfoot Trail (commonly called the “Jellybean Loop”) will be closed from 11 a.m. to 4 p.m.

On Nov. 23, the “Jellybean Loop” will be closed again from 6 a.m. to 11 a.m. The closures accommodate construction activities and motorists are advised to use alternate routes.

Motorists should use caution in the area and obey all signs, message boards and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.

The work on Peigan Trail SE is part of a larger project to upgrade the Barlow Trail/Peigan Trail SE intersection and modify the on-ramp to southbound Deerfoot Trail from Peigan Trail SE. Visit www.transportation.alberta.ca/bargp.htm for more information and to view a plan for the construction work.
