Construction work disrupts traffic on Highway 39 east of Drayton Valley

Drayton Valley... Motorists can expect intermittent traffic disruptions on Highway 39 between Range Roads 54 and 60, approximately 5 kilometres west of Carnwood.

The disruptions accommodate a \$538,000 bridge culvert replacement project. Construction is scheduled to start Feb. 9 and be completed by March 15, weather permitting.

Motorists should use caution in the area and obey all signs and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
