Intersection work closes 17 Avenue SE in Calgary

Calgary... Motorists are advised that 17 Avenue SE in Calgary will be closed temporarily to accommodate work at its intersection with 84 Street SE. The work also affects northbound traffic on 84 Street SE at the intersection.

The 17 Avenue SE closure will occur from 6 a.m. to 8 p.m. on April 18 and affects both directions between 68 Street SE and 100 Street SE. Police will direct traffic on 84 Street SE through the 17 Avenue SE intersection during these hours. Motorists are advised to use 16 Avenue NE as an alternate route.

In addition, northbound traffic on 84 Street SE near the 17 Avenue SE intersection will be detoured to 100 Street SE at various times during the construction. Southbound traffic on 84 Street SE in this area will not be affected. Motorists are encouraged to avoid this area during the above hours and use alternate routes.

The closure accommodates line eradicating, line painting, and installation of inductive loops at the intersection.

Motorists should use caution in the area and obey all signs, message boards, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
