## **Sign work detours traffic on QE2 at Innisfail**

*Innisfail...* Motorists can expect a detour on the Queen Elizabeth II Highway at Innisfail.

The detour begins at 11 p.m. on Monday, May 25 and affects the highway's northbound lanes. Traffic will be detoured from the South Innisfail Interchange to the North Innisfail Interchange via Highway 2A. The detour will be in effect for approximately two hours. The detour accommodates overhead sign adjustments.

Motorists should use caution in the area and obey all signs, message boards, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
