## **Sign work disrupts traffic on Baseline Road east of Edmonton**

*Edmonton...* Motorists can expect traffic disruptions as repairs to the overhead signs on Baseline Road begin June 3 near the junction of Highway 216 east of Edmonton. Work is scheduled to be completed by June 5, weather permitting.

The eastbound lanes of Baseline Road will be reduced to two lane traffic as work is completed between 9 a.m. and 4 p.m. daily.

Motorists are asked to use caution in the area and obey all signs and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
