Access ramp closure disrupts traffic at Anthony Henday Drive and Yellowhead Trail in Edmonton

Edmonton... Motorists are advised that the access ramp to westbound Yellowhead Trail from southbound Anthony Henday Drive / Ray Gibbon Drive will be closed for a culvert installation starting at 7 a.m. June 6 and continuing until 6 a.m. June 8.

Motorists wanting to access westbound Yellowhead Trail from southbound Anthony Henday Drive / Ray Gibbon Drive are advised to follow the detour signs. The detour will direct motorists to travel eastbound on Yellowhead Trail and use the 184 Street interchange to turn around and exit westbound on Yellowhead Trail.

Motorists should use caution in the area and obey all signs, message boards and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.

Visit www.northwestconnect.ca for more information about the Northwest Anthony Henday Drive ring road project.
