## **Bridge repairs disrupt traffic on the Queen Elizabeth II Highway near Leduc**

*Leduc...* Motorists can expect traffic disruptions on the Queen Elizabeth II (QEI) Highway and Highway 39 overpass near Leduc for concrete deck repairs. The southbound lanes of the QEI will be reduced to one lane with a lane width restriction of 4 metres.

Work is scheduled to begin June 8 and will be completed by June 15, weather permitting.

Motorists are asked to use caution in the area and obey all signs and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
