Bridge repairs narrow lanes on Highway 831 near Waskatenau

Waskatenau... Motorists can expect delays and lane closures on Highway 831 near Waskatenau.

Repairs to the highway's bridge over the North Saskatchewan River begin Aug. 25. Traffic will be reduced to single lane with a 3.7-metre width restriction. Wide loads should use alternate routes.

Work will be completed by Sept. 18, weather permitting.

Motorists are asked to use caution in the area and obey all signs and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
