## **Bridge repairs reduce lanes on 16 Avenue N in Calgary**

**Calgary...** Motorists can expect lane reductions and traffic disruptions on 16 Avenue N in Calgary.

Repairs begin Sept. 20 to the westbound bridge that carries 16 Avenue N over Deerfoot Trail. Between 9 a.m. and 5 p.m. daily, motorists can expect lane closures and speed reductions in the area. Repairs will be complete by Oct. 13, weather permitting. The work does not affect eastbound traffic on 16 Avenue N. Motorists may wish to use Memorial Drive or 32 Avenue N as alternate routes.

Motorists should use caution in the area and obey all signs, message boards, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
