Extended road closure disrupts traffic in north Edmonton

Edmonton... Motorists are advised that Zaychuk Road will be closed between 195 Avenue and 167 Avenue, starting Sept. 24 and continuing for approximately two months.

Motorists are asked to follow the signs in order to detour safely using either 50 Street or Manning Drive.

Motorists should use caution in the area and obey all signs, message boards and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
