## **Drivers asked to keep an eye out for highway cleanup crews**

### ***Annual cleanup day postponed to May 8 in central, southern Alberta***

*Edmonton...* Motorists are advised to be cautious when travelling through areas where the annual highway cleanup is taking place.

For most areas north of Ponoka, the cleanup will take place on May 1 between 7 a.m. and 5 p.m. During those hours, young Albertans will be removing garbage and debris from highway rights-of-way. They are distinguishable by their bright orange safety vests. Signs will also be posted advising motorists that they are entering a cleanup area.

For most areas south of Ponoka, the cleanup has been postponed to May 8 due to this week's rain and snow storms. Cleanup hours will be from 7 a.m. to 5 p.m.
