## **Bridge deck repairs close lanes on Calgary's Deerfoot Trail**

*Calgary...* Motorists can expect major delays, lane closures, and speed reductions on Deerfoot Trail in Calgary.

The closures and speed reductions affect southbound Deerfoot Trail at the Ogden Road flyover bridge and accommodate the bridge's deck replacement. The \$2.1-million project starts on May 3 and will be completed by Sept. 30, weather permitting.

During the project, southbound Deerfoot Trail in this area will be reduced to two narrow lanes (3.0 m and 3.5 m widths, respectively) and the speed limit will be reduced to 80 km/h through the construction zone.

Motorists should use caution in the area and obey all signs, message boards, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
