Nighttime lane reductions disrupt traffic on Anthony Henday Drive in Edmonton

Edmonton... Motorists are advised that both northbound and southbound Anthony Henday Drive in Edmonton will be subject to periodic and alternating lane reductions at Lessard Road for steel girder installations from 6 p.m. to 6 a.m. starting May 5 and continuing until May 28, weather permitting.

Motorists should use caution in the area and obey all signs, message boards and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
