## **Paving closes lanes on Highway 1A east of Calgary**

*Calgary...* Motorists can expect delays and lane closures on Highway 1A east of Calgary.

Paving and line painting begins June 21 and affects from the highway from Calgary's east city limits to its junction with Highway 1 near Chestermere. Traffic will be reduced to one lane during construction. Work will be completed by July 9, weather permitting.

Motorists should use caution in the area and obey all signs, message boards, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
