Bridge work disrupts traffic on Highway 855 near Smoky Lake

Smoky Lake... Motorists can expect minor delays and traffic disruptions on Highway 855 south of Smoky Lake.

Rehabilitation work begins July 15 on the bridge that carries Highway 855 over the North Saskatchewan River south of Smoky Lake. Temporary traffic disruptions will occur throughout the project, but will be limited to daylight hours and only for short durations. The project includes bridge girder painting at a cost of approximately \$2.5 million. Work will be completed by Oct. 15, weather permitting.

Motorists should use caution in the area and obey all signs, message boards and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
