## **Construction reduces speed limit on Highway 22 near Cremona**

*Cremona...* Motorists can expect periodic speed limit reductions on Highway 22 north of Cremona.

The speed limit reductions accommodate construction of climbing lanes on northbound Highway 22 between Cremona and the Highway 27 junction. The speed limit will be reduced to 50 km/h through the construction zone at various times.

Construction is underway and will be completed by Sept. 30, weather permitting.

Motorists should use caution in the area and obey all signs, message boards, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
