Bridge repairs disrupt traffic on Highway 12 near Alix

Alix... Motorists may expect minor delays and disruptions on Highway 12 near Alix.

Bridge deck joint replacement begins Oct. 20 on the bridge carrying Highway 12 over the CP rail tracks, approximately 6 km east of Alix. Traffic may be periodically reduced to alternating single lane during the project with a minimum lane width of 5 m being maintained at all times. The project will be completed by Oct. 31, weather permitting.

Motorists should use caution in the area and obey all signs and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
