Travellers' advisory

Alberta

April 13, 2011

Highway 825 temporarily closed northeast of Edmonton

Edmonton... Motorists are advised that Highway 825 northeast of Edmonton is closed until further notice due to flooding.

The closure affects traffic between Highways 37 and 643. Motorists are asked to use Highways 28A and 643 as an alternate route. Local traffic will be detoured using local roads. Crews are on site working to control drainage and once the water recedes, highway repairs will be completed.

A further advisory will be issued when Highway 825 reopens.
