Lane reopens on the QE2 near Lacombe

Lacombe... Motorists are advised that all lanes on northbound Queen Elizabeth II Highway near Lacombe have reopened and the speed limit has been raised back to its normal 110 km/h.

The highway's right-hand, northbound lane was closed April 26 due to water accumulation and the speed limit was reduced to 80 km/h through the closure zone. The affected area was approximately three kilometres south of Lacombe. The northbound left-hand lane remained open while the southbound lanes were not affected.
