## **Paving disrupts traffic on Highway 14 near Viking**

*Viking...* Motorists can expect speed reductions and reduced lane widths on Highway 14 in the Viking area.

Paving is underway on the highway from its junction with Highway 857 near Bruce to east of Kinsella. Motorists can expect two-way traffic with reduced lane widths and the speed limit will be reduced to 50 km/h through the construction zone.

The project is scheduled for completion by July 15, weather permitting.

Motorists should use caution in the area and obey all signs, message boards, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
