Highway 766 resurfacing work detours traffic near Cremona

Cremona... Motorists can expect alternating traffic and detours on Highway 766 near Cremona.

The detour accommodates resurfacing 15 kilometres of the highway from its junction with Highway 580 to its junction with Highway 582. Construction begins May 26.

During construction, Highway 766 will be closed from 7 a.m. to 7 p.m. daily. Traffic will be detoured onto Highway 580, Range Road 23, Township Road 310, and Highway 582. Signs and flag people will direct traffic through the detour.

Work is expected to be completed by July 15, weather permitting.

Motorists should use caution in the area and obey all signs, message boards, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
