Weather delays overnight paving of Sylvan Lake roundabout

Sylvan Lake... Motorists are advised that the Highways 11A and 20 roundabout in Sylvan Lake will be closed overnight to accommodate paving.

The closure begins at 8 p.m. June 21 and lasts until 6 a.m. June 22. During the closure, crews will pave the roundabout's circular lane and approach lanes. The closure was originally scheduled for June 14, but inclement weather has delayed the project by a week.

Traffic will be detoured around the intersection during the closure. Motorists may also wish to use Highways 11 or 12 as alternate routes.
