Delays on Highway 2 over Bad Heart River due to bridge construction

Grande Prairie... Motorists are advised that commencing July 4 there will be bridge construction on Highway 2 over the Bad Heart River.

A two lane temporary detour has been built on site to accommodate motorists. Speed limits will be reduced from 100 km/hour to 50 km/hour. Construction will run from July through to September, weather permitting.

Motorists are asked to use caution and obey all construction zone signing, flag persons, and posted speed reductions.
