## **Lanes reduced on Manning Drive detour in Edmonton**

**Edmonton...** Motorists are advised that lanes will be reduced on the Manning Drive detour north of 167 Avenue in Edmonton.

Traffic will be reduced to one lane in each direction starting July 11. The lane reduction accommodates tie-in construction and grading on the Manning Drive-Anthony Henday Drive interchange. The lane reduction will be in effect until Aug. 4, weather permitting.

Motorists should use caution in the area and obey all signs, message boards and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
