Flooding temporarily closes Dixonville Road (Highway 689) at Beaton Creek Bridge

Peace River... Motorists are advised that part of Highway 689, locally known as Dixonville Road, is temporarily closed.

High water has washed out part of the highway approach to the Beaton Creek Bridge, 18 kilometres west of Dixonville.

A detour around the area has been established involving the County of Northern Lights Roads, Range Road 251, Township Road 874, and Range Road 255.

Drivers are to use caution while traveling on the narrower county range roads. Motorists should be prepared to yield to oncoming traffic.

Further advisories may be issued as conditions change.
