Paving disrupts traffic on Highway 845 north of Coaldale

Coaldale... Motorists can expect minor traffic disruptions on Highway 845 from Coaldale to south of the Oldman River to accommodate paving.

Paving begins July 18. Due to side sloping, intersection and approach treatments, there will be a reduced lane width of eight metres. The expected completion date is Aug. 20.

Motorists should use caution in the area and obey all signs and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
