Road construction restricts Highway 27 in Olds

Olds... Motorists can expect minor delays and a speed limit reduction on Highway 27 within the Town of Olds.

Some lanes and private accesses will be closed in order to consolidate them into one highway access. Work is underway and is expected to be completed by Oct. 31, weather permitting.

Motorists should use caution in the area and obey all signs and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
