Intersection paving disrupts traffic in Peace River

Peace River... Motorists can expect major delays at the intersection of Highway 2 and 78th Street in Peace River.

Paving commences Aug. 30 at the intersection and motorists can expect major delays and detours. Motorists are encouraged to avoid this intersection, if possible, and access nearby businesses via frontage service roads. Paving will be complete on Sept. 1, weather permitting.

Motorists should use caution in the area and obey all signs, message boards, and flag people. Motorists are reminded that fines for speeding are doubled through construction zones when workers are present.
