

WATER WELL MANAGEMENT FOR WELL OWNERS

FALL 2024 WORKSHOP SCHEDULE

**WORKING
WELL**

Clean water.
Well protected.

Learn about your water well and what you can do to care for and maintain it at one of these upcoming workshops.

These FREE workshops are hosted by local municipalities and community-based organizations and presented by the [Working Well Program](#) with technical expertise provided by staff from Alberta Agriculture and Irrigation, Alberta Environment and Protected Areas, Alberta Health Services and licensed water well contractors. If you live in or own property in one of these regions and have a water well on your property, plan to attend a workshop. **Click on the registration link for more details and to register.**
