## Alberta Snapshot

Calgary, Alberta-based Minhas Furniture Ltd. is among North America's fastest growing furniture manufacturers. The company operates three warehouses in the United States and Canada, including two in North Carolina.

Their two facilities in Robbins staff a full-time design group, which creates the furniture styles, as well as production teams that carefully build each piece, ensuring quality construction and workmanship. Minhas Furniture continuously tests its systems and processes, subjecting its designs to critical evaluations to monitor product safety, durability, appearance, and overall performance.
