### Vermont exports to Alberta

\*Data from 2023

## Alberta Snapshot

Stantec, a global design and engineering firm headquartered in Edmonton, Alberta, has over 250 offices throughout the United States, including Vermont. The Stantec office in South Burlington was ranked the #1 best place to work in 2024 (Large Business) by VermontBiz and the Vermont Chamber of Commerce.

The Stantec team of over 55 civil engineers, environmental engineers, and scientists, and other related professionals work every day to build a healthier, stronger Vermont by designing infrastructure, shaping the landscape, respecting the local environment, and giving back to their communities.

James Rajotte - Alberta's Senior  
Representative to the United States
