

1.1 FENCE INSTALLATION

The Contractor shall remove and dispose, remove, salvage and reinstall, or supply and install new fencing as shown in the following table.

| STATION | | SIDE | * TYPE OF WORK | KILOMETRE |
|---------|----|------|----------------|-----------|
| FROM | To | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |

*

- 1) Remove and Dispose
- 2) Remove, Salvage and Reinstall
- 3) Supply and Install New Fence

All fence designated as remove and dispose, shall become the property of the Contractor and shall be disposed of to the satisfaction of the Consultant.
