

**1.1 SOIL CONDITIONS**

Some of the results of soil investigation done on the project are included with the Contract documents, and additional information is available for viewing at the office of:

Mr. \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Telephone: \_\_\_\_\_

The Contractor shall study the results and to carry out any such additional investigation as he may deem necessary in order to thoroughly familiarize himself with the soil conditions within the project. The Contractor shall be responsible for any interpretation which he makes of this data. Unfamiliarity with encountered soil conditions and water levels will not be accepted by the Department as a basis for a claim for additional payment.
